

Before you complete this form

What this form is for

It's for individuals wanting information about the compliance history of a liquor licence, as recorded by Liquor & Gaming NSW (L&GNSW), particularly in connection with the sale, purchase or lease of that licence. Please note that we can't accept telephone orders and we can't invoice.

Cost

The fee payable for this service is \$350. An additional fee may apply if your request takes longer than expected. We will contact you. Fees are subject to change without notice.

How this request will be processed

- ▲ Please allow at least 10 working days to receive a response to your request.
- ▲ We'll respond via email unless you specifically request other arrangements.
- ▲ We'll conduct information searches against L&GNSW records for the past 5 years from the date of this request, unless you specifically request a longer period.
- ▲ While we'll review our own records for any relevant third party information, requests for information regarding the activities of, or notices issued by, other agencies (for example, NSW Police) will need to be sought directly from the relevant agency, including approved plans, application papers, and other information in relation to the licence using a Premises file archive and records request form.

Documents you will receive

- ▲ The most recent copy of the subject premises' liquor licence
- ▲ Any final correspondence to the licensee and/or the business and premises owners, detailing the final outcomes to any compliance matters detailed in the report.

Please complete all questions that apply to you. If information is missing, we'll need to ask you to supply the required information or documents to support the application. This may delay our decision.

Please check

- Have you checked that the licence number and licence details are correct?
- If you're making the application on behalf of a corporate entity, have you included a current ASIC company extract (issued no more than 7 days before making the application) for that entity listing the individual as an authorised officeholder?
