Agent Reporting Agreement

The parties to this Agent Reporting Agreement ("Agreement" or "ARA") are the Agent, and the Airlines Reporting Corporation ("ARC") headquartered in Arlington, VA, on its own behalf and on behalf of the Carriers that are parties to the ARC Carrier Services Agreement ("Carrier" or "Carriers") which appoint the Agent under this Agreement.

The purpose of the Agreement is to address the way in which Agents report and settle ARC Traffic Documents through the ARC-administered Settlement Plan in a competitive and efficient manner, as well as to outline the rights and obligations of the parties to this Agreement.

Terms used throughout this Agreement are defined in Part IX of this Agreement.

In consideration of these statements and the mutual covenants and agreements that follow, the parties acknowledge, understand, and agree:

Part I: Scope of Agreement

1. This Agreement:

- 1.1. Becomes effective between ARC and Agent on the effective date stated in the Memorandum of Agreement completed as part of Agent's application;
- 1.2. Is binding between Agent and each Carrier that appoints Agent, and establishes a principal-agent relationship between Agent and Carrier;
- 1.3. Governs the terms and conditions under which Agent is authorized to issue ARC Traffic Documents at and through Agent's Locations in the United States;
- 1.4. Covers all Agent Locations, including any that may be approved for inclusion on the ARC Agency List after the effective date of this Agreement;
- 1.5. Supersedes any and all prior agreements, unless otherwise stated, between Agent and any Carrier party to the Carrier Services Agreement concerning the issuance of ARC Traffic Documents; and
- 1.6. Incorporates the latest version of the Industry Agent's Handbook (*IAH*) available on ARC's website as if fully set forth herein by reference.

2. This Agreement does not:

- 2.1. Extend to the terms and conditions under which Agent is authorized to issue tickets and other documents that Carriers may provide to Agent; however, if ARC receives such tickets and documents for processing, Agent and Carrier agree that those Transactions will be deemed and treated as though they were issued on ARC Traffic Documents provided by ARC and will be processed, reported, settled and administered in accordance with the terms of this Agreement.
- 2.2. Constitute the entire relationship between Agent and Carriers and is specifically limited to the terms and conditions contained herein. This Agreement does not, for example, address fares charged by Carriers, or any commissions, incentives, or other forms of remuneration, if any, provided by Carriers to Agent, as those matters are solely between Carriers and Agent; or
- 2.3. Authorize Agent to admit, accept, or receive service of summons or any other process on behalf of Carriers or ARC.

3. Agent acknowledges and agrees:

- 3.1. To comply with and be bound by all instructions and requirements in the *IAH*;
- 3.2. To supply and receive notices consistent with this Agreement and Section A of the *IAH*;
- 3.3. To seek to maintain, at all times, ethical standards of business in its dealing with its clients, the public, ARC, and Carriers; and
- 3.4. To comply with and be bound by all agreements entered into with ARC;
- 3.5. This Agreement will be construed in accordance with, and governed by, the laws of the Commonwealth of Virginia. State and Federal courts of the Commonwealth of Virginia will have personal jurisdiction over all collection matters arising under this Agreement. All Transactions that occur under this Agreement will be deemed to occur in the United States.
- 3.6. ARC and its affiliates may from time to time receive funds from Agents and/or Carriers pursuant to this Agreement, including but not limited to any Financial Instruments required hereunder, and ARC agrees on behalf of itself and its affiliates, that ARC and/or its affiliates shall manage such funds (less any fees due and payable from time to time to ARC and/or its affiliates) during the term of this Agreement.
- 3.7. That, if the Agent voluntarily elects to use the ARC Pay program by issuing an ARC Pay Transaction on an ARC Traffic Document using carrier code 890, the Agent will be bound by the latest version of the ARC Pay Agreement.

4. Amendments to This Agreement

- 4.1. ARC will make available to Agent each future amendment to this Agreement at least 45 calendar days prior to the amendment's effective date, unless otherwise specified. If this Agreement is subject to termination, such termination will occur without regard to whether an amendment alters any provision related to the basis for the termination.

5. Concurrence with Future Amendments to This Agreement

- 5.1. Agent's concurrence with an agreement to be bound to future Amendments may occur in one of the following ways:
 - 5.1.1. Signing a subsequent Memorandum of Agreement binding ARC, Agent, and Carriers appointing Agent, to the terms and conditions of this Agreement;
 - 5.1.2. An electronic signature on any Amendment;
 - 5.1.3. Continuing performance under the Agreement, including but not limited to a Submission of Sales Report(s) or access to ARC Tools; or
 - 5.1.4. Obtaining or occurring by any other means adopted by the ARC Board of Directors.

6. Termination of This Agreement

- 6.1. Agent may submit a request, in the form required by ARC, for voluntary termination of this Agreement at any time.
 - 6.1.1. Termination will take effect upon ARC's approval of Agent's request, subject to the fulfillment by each of the parties of all obligations under this Agreement.
- 6.2. ARC may terminate Agent's Agreement according to the requirements of this Agreement.
- 6.3. Whenever, under the terms of this Agreement, ARC is required to remove Agent or Agent's Location(s)

from the ARC Agency List, ARC may terminate this Agreement with respect to Agent or affected Location.

- 6.4. Intentionally omitted.
- 6.5. Upon termination, Agent must provide all monies due and payable to any Carriers, and a complete and satisfactory accounting.
- 6.6. Upon termination and ARC's request, Agent must return to ARC all supporting documents listed in Section C of the *IAH* that are less than or equal to 39 months of age as of the date of termination. Until returned or destroyed in a secure manner, all supporting documentation containing personal data, such as credit card information, must be maintained in a secure and confidential manner.
- 6.7. When this Agreement is terminated, ARC will notify all Carriers and advise them of the reason and the effective date of the termination. ARC will also notify System Providers to inhibit issuance of ARC Traffic Documents by Agent through the ARC Settlement Plan. Additionally, Agent must cease use of its ARC Number(s), unless Agent reclassifies to an ARC Verified Travel Consultant.
- 6.8. Upon termination of this Agreement, in the event Agent fails to fulfill its obligations to Submit all Sales Reports, Agent authorizes ARC to Submit the Sales Reports that have not previously been Submitted and to draft Agent's designated bank account for the amounts owed for such Sales Reports. Agent will indemnify and hold harmless ARC; ARC's officers, employees, and representatives; and Carriers from all damages, losses, or claims resulting from ARC's Submission of the Sales Reports under the terms of this Section.
- 6.9. ARC will be considered a real party in interest in any cause of action, suit, or arbitration to enforce or defend against anything regarding the terms of this Agreement, including but not limited to, those actions brought by ARC after the termination of this Agreement to, among other things, collect amounts Agent owes to Carriers or ARC.

Agent's representatives must not communicate or make any representations to any third-party, whether directly or indirectly by phone, e-mail, social media or any other method, that they are employed by, affiliated with, subcontracted by, or otherwise represent any Carrier.
- 8.3.6. Agent must designate and maintain the following roles, which may be filled by the same or different individuals:
- 8.3.6.1. Manager who is: (i) Agent or a full-time employee of Agent; and (ii) is responsible for the operations of Agent and Agent's Location(s); and receives correspondence from ARC and the Carriers related to, among other things, Agent's contractual relationship with ARC;

8.3.10.1. Agent may opt out of the Training Requirements by demonstrating to ARC, in its sole discretion, that it requires training of any employee or contractor who issues ARC Traffic Documents. If Agent opts out of the Training Requirement, the Agent must furnish to ARC upon demand within five business days the content and completion date of the training Agent required.

9. Grounds for Removal of Agent from ARC Agency List

9.1. Agent is ineligible for retention on the ARC Agency List if:

9.1.1. Agent fails to meet the requirements stated in Subsection 8.3 of this Agreement, including material misrepresentation or inaccuracy in any application; or

9.1.2. ARC has reason to believe that Agent; any Entity holding a financial or ownership interest in Agent; or any officer, director, employee, or designated Manager has had any of the following:

9.1.2.1. Financial interest in, or affiliation with, any Agent previously removed from the ARC Agency List;

9.1.2.2. Financial interest in, or affiliation with, any Agent presently declared in default under the provisions of Section 33 of this Agreement; or

9.2. The provisions for ineligibility in Section 9.1 may be waived if, based on investigation of all information and facts, ARC determines that Agent can be relied on to adhere to the terms of this Agreement. If the conduct invoking this provision occurred more than 7 years prior to the filing of a complaint with the Arbiter, there will be a presumption Agent can be relied upon to adhere to the terms of this Agreement.

10. Compliance with Applicable Laws

10.1. Agent must comply with all applicable U.S., international, and local laws.

10.2. In collecting, processing, and transmitting any personal data, such as credit card information, Agent must:

10.2.1. Treat the data in a secure and confidential manner, disclosing it only to those Entities Agent is lawfully bound to do so; and

10.2.2. Consent to an inspection by ARC, as described in Subsection 12.3 of this Agreement, in the event of a data security breach.

10.3. If required by applicable data protection laws, Agent will deliver a notice to the client disclosing all of the following:

10.3.1. Personal data collected by Agent will be supplied to ARC for purposes of carrying out the contract between the client and any relevant Carrier; and

10.3.2. Client may contact ARC's Customer Care Center to request a copy of the personal data held by ARC and to request whether or not ARC will amend, modify, correct, or delete the personal data.

10.3.3. Website address where a copy of ARC's privacy policy may be found

10.4. Agent affirms that neither the Agent nor any of its subsidiaries, directors, officers, or employees, nor, to the knowledge of the Agent, after due inquiry, any agent, affiliate or other person acting on behalf of the Agent

or any of its subsidiaries is currently the subject or the target of any U.S. sanctions administered by the Office of Foreign Assets Control of the U.S. Department of the Treasury or the U.S. Department of State, the United Nations Security Council, the European Union, Her Majesty's Treasury of the United Kingdom, or other relevant sanctions authority (collectively, "Sanctions"); nor is the Agent or any of its subsidiaries or Locations located, organized or resident in a country or territory that is the subject or the target of Sanctions.

11. Agent Appointment by Carrier

- 11.1. Purpose: Section 11 describes the appointments Carriers may grant to Agents.
- 11.2. A Carrier may grant Agent an appointment, by either General Concurrence or Specific Appointment as described in Section E of the *IAH*, permitting Agent to issue ARC Traffic Documents on behalf of the Carrier.
 - 11.2.1. General Concurrence is a Carrier's authorization to ARC to appoint all Accredited Agents on the Carrier's behalf.
 - 11.2.2. Specific Appointment is a Carrier's specific appointment of an Agent(s). Agent is not authorized to issue ARC Traffic Documents without the Carrier's direct authority.
- 11.3. Agent must comply with all Carrier instructions, and must not make any representation a Carrier has not previously authorized.
- 11.4. Agent must be appointed by a Carrier to identify Carrier on any segment of an issued ARC Traffic Document.
- 11.5. Carrier may terminate Agent's appointment at any time with written notice. ARC will provide notice to System Providers to inhibit issuance of ARC Traffic Documents on that Carrier upon termination by the Carrier of an Agent's (specific or general) appointment.
- 11.6. If Agent fails to pay a Debit Memo sent by Carrier, or is in default to Carrier under this Agreement, excluding liability for stolen ARC Traffic Documents, Carrier may terminate its appointment of Agent.

12. Retention and Inspection of Agent Records

- 12.1. Agent must retain copies of the documents listed in Section C of the *IAH* for a period of at least 39 months from Submission Deadline for those documents.
- 12.2. Agent acknowledges and agrees that ARC and its designees have the right to inspect Agent's records to ensure compliance with the terms of this Agreement.
- 12.3. Agent will be apprised of the purpose or occasion for an inspection, and will be obligated to provide only those documents material and relevant to the examination, and that are requested by the authorized representative. ARC will provide a copy of a written report prepared by the ARC representative who has completed an inspection of Agent's books and records.
- 12.4. At any time, a Carrier may examine Agent's records concerning ARC Traffic Documents issued by Agent on that Carrier.

13. Reviews of Breaches by Agent

- 13.1. In situations where it appears to ARC that there may be or has been fraudulent conduct on the part of Agent (including, but not limited to, falsification of ARC Traffic Documents, sales reports, or any other document, misuse of the IAR system, as well as those activities described in Section F of the *IAH*), or there is a clear and present danger of substantial loss to ARC or Carriers, ARC may:
 - 13.1.1.
 - 13.1.2. Notify Carriers; or
 - 13.1.3. Notify System Providers to inhibit the issuance of ARC Traffic Documents by all of
-

Agent's Locations and all Agents under Common Control with Agent.

- 13.2. For any actions taken by ARC under Section 13 of this Agreement, Agent has the right to appeal to the Arbitrator on an expedited basis using procedures established by the Arbitrator. ARC may terminate Agent's Agreement without further notice if all of the following actions do not occur within 10 calendar days after the date of ARC's demand notification to Agent:
- 13.2.1. Arbitrator has received an appeal from Agent;
 - 13.2.2. Intentionally omitted; and
 - 13.2.3. ARC has received from Agent the original of a properly executed "Personal Guaranty of Payment and Performance" found in Section G of the *IAH*.
- 13.3. Upon termination of Agent's Agreement under this Section, ARC may take action as directed in Subsections 6.7 and 6.8 of this Agreement.

14. ARC Tools and Online Services

- 14.1. ARC provides various online services through which Agent Submits or reviews Transactional Data or otherwise communicates or transacts business with ARC and Carriers, including the My ARC web portal, Interactive Agent Reporting (IAR), ARC Pay, Memo Manager, Accreditation Tool and Document Retrieval Service (DRS) (collectively referred to as "ARC Tools" or "Tools"). Agent's use of and access to ARC Tools are subject to the terms of this Agreement, including Section H of the *IAH*, and the Terms of Use for each Tool, which are incorporated by reference in this Agreement.
- 14.1.1. Agent acknowledges and agrees that any communication or business transaction with ARC through an ARC Tool (e.g., an application, form or request) by any individual who has been granted access to the ARC Tool by the Agent's My ARC Primary Administrator or Tool Administrator, will be deemed to have been submitted and authorized directly by the Agent. Such submissions will have the same force and effect as if they were submitted and/or signed (where applicable) directly by an owner or officer of the Agent.

15. Change of Agent Name, Physical Address, Manager Contact and Other Contacts, Officer(s), or Designated Personnel; Abandonment of Location

- 15.1. Purpose: Agent must maintain accurate information on record with ARC, in the required form and manner, in order to facilitate timely communication and efficient operations.
- 15.2. Agent must notify ARC (in writing, in the form provided by ARC) of any change in Agent's legal name within 30 calendar days of the change. The name change must meet the requirements in Subsection 8.3.5 of this Agreement.
- 15.3. Agent must notify ARC (in writing, in the form provided by ARC) of any address change within 30 calendar days of the change.
- 15.3.1. ARC will notify Agent if it has reason to believe, based on any reliable evidence, that Agent has abandoned its Location(s) and/or ceased operations without prior written notice.
 - 15.3.2. If Agent fails to respond within 15 days of the date of ARC's notice described in 15.3.1, this Agreement will be terminated on the 16th day after the date of the notice and ARC may take action as directed in Subsections 6.7 and 6.8.
- 15.4. Whenever the legal name or address of Agent changes, Agent must:
- 15.4.1. Execute an amendment to the Memorandum of Agreement reflecting Agent's new legal name; and

- 15.4.2. Provide a Financial Instrument, in the correct amount and form required by ARC, which includes Agent's new legal name and address;
- 15.5. ARC will update the ARC Agency List and notify Carriers of Agent's change of name and/or address.
- 15.6. Change of Manager's e-mail Address and Other Agency Contacts.
 - 15.6.1. Agent must notify ARC (in writing in the form required) of any change to Manager's e-mail Address and the Owner or Officer within one business day of the change, according to instructions provided in Section A of the *IAH*.
 - 15.6.2 Failure to provide ARC with timely notification of Agent's change of e-mail address(es) or contact(s) does not relieve Agent of liability for complying with the requirements of this Agreement and the *IAH*. If a Manager e-mail address is not provided by Agent or ARC determines that the Manager e-mail address is not active or accessible, Agent agrees that the e-mail address of Agent's Owner or Officer will be used as an alternative by ARC and the Carriers.
- 15.7. Change of Officer(s) or Identity of Officer(s)
 - 15.7.1. Agent must provide written notice to ARC within 30 calendar days of the removal or addition of any officer(s), or any other change in the identity of its officers (e.g., change in married name). This provision does not apply if Agent is a publicly traded Entity. A publicly traded Entity is one whose shares are listed on a securities exchange or are regularly traded in an over-the-counter market.
- 15.8. Change of Designated Personnel and or Contacts
 - 15.8.1. Agent must notify ARC (in writing, in the form required) of any change to the designated personnel or related contacts listed in Subsection 8.3.6 and 8.3.8 of this Agreement.
- 15.9. If Agent fails to timely notify ARC of any changes referenced in this Section 15, or the changes do not meet the requirements of this Agreement, ARC may take appropriate action consistent with Part VI of this Agreement. Failure to provide timely notification of change in Agent's required e-mail address(es) and/or contact(s) does not relieve Agent of liability for complying with the requirements of this Agreement and the *IAH*.

16. Change of Ownership

- 16.1. Agent may not assign or transfer this Agreement without the prior written approval of ARC. For purposes of this Agreement, a merger, sale, or transfer of all, or substantially all, of Agent's assets will constitute an assignment or transfer that requires ARC's prior written approval if those assets include Agent's rights and obligations granted in this agreement including, without limitation, Agent's right to ARC Traffic Documents. See Section I of the *IAH* for examples of types of ownership changes.
- 16.2. Agent remains liable for all obligations to ARC and Carriers that accrue prior to ARC's approval of the ownership change until ARC enters into an Agent Reporting Agreement with the proposed new owner(s). ARC will notify Carriers when an application is received and when an application is approved, withdrawn, or disapproved.
- 16.3. If ARC determines that an ownership change has occurred without ARC's written approval, ARC may take appropriate action consistent with Part VI of this Agreement.
- 16.4. If ARC disapproves an application for a change of ownership, the applicant may obtain a review by the Arbiter of the disapproval in accordance with Part VI of this Agreement.

17. Change of Ownership Due to Death of Agent Sole Proprietor or Partner

- 17.1. On notification of the death of Agent sole proprietor or partner, ARC will take action as described in Section I

of the *IAH*.

18. Temporary Closure

- 18.1. In the event of a situation beyond Agent's control, such as fire, flood, or illness, Agent may request to temporarily close its Location(s) in accordance with procedures provided in Section J of the *IAH*.

Part III: Ticketing and Sales Reporting

19. Purpose: Part III of this Agreement describes requirements for the proper and correct issuance, reporting, and settlement of ARC Traffic Documents.

20. Ticketing Requirements

- 20.1. Agent will use the ticketing identification of any Carrier scheduled to participate in the transportation provided Carrier has authorized Agent to do so.
- 20.2. In the event ticketing identification of a Carrier scheduled to participate in the transportation is not available, Agent will use the identification of any other ARC Carrier who has provided authorization for such use.
- 20.3. No segment will be permitted on any Carrier for which Agent has not received prior authorization.
- 20.4. The information shown on any delivered documents must be in accordance with the applicable rules, regulations, and instructions furnished to Agent by ARC or by Carriers.

21. ARC Traffic Documents

- 21.2. As part of exercising Reasonable Care, Agent must implement appropriate physical, electronic, and managerial procedures and systems to prevent unauthorized access to, issuance of, or use of ARC Traffic Documents and related Transactional Data. The elements of Reasonable Care that an Agent is expected to implement and/or comply with are outlined in detail in Section B of the *IAH*.
- 21.3. Agent must use ARC Traffic Documents in accordance with the terms of this Agreement.
- 21.4. In the absence of specific permission of a Carrier,
 - 21.4.1. Agent must process Transactions issued on ARC Traffic Documents with the same form of payment provided by the client.
 - 21.4.2. Agent must not use a credit card which is issued in the name of the Agent, or in the name of any of the Agent's personnel, or in the name of any third party (other than the client), for Transactions issued on ARC Traffic Documents.
- 21.5. Agent must not disclose to, or otherwise give, any third party a client's credit card information, except when the disclosure is necessary for Agent to perform its obligations under this Agreement.
- 21.6. Agent may refund any fare or charge applicable to air transportation only if sold by Agent and for which Agent has issued an ARC Traffic Document. Agent will issue refund(s) only to the person authorized to receive the refund(s) and according to the tariffs, rules, regulations, and instructions issued by Carriers.
- 21.7. Unless granted explicit authority by the ticketing Carrier whose ARC Traffic Document is to be issued, Agent will not:

21.7.1. Issue an ARC Traffic Document in exchange for any traffic document previously issued by another agent or Carrier; or

21.7.2. Issue an ARC Traffic Document in exchange for a traffic document previously issued by Agent naming another Carrier as the ticketing Carrier.

22. Agent must deliver to its clients:

22.1. Proper and correct ARC Traffic Documents; and

22.2. All supporting documentation authorized or required by Carriers.

23. Delivery and Withdrawal of ARC Traffic Documents

23.1. The terms governing Agent's security of ARC Traffic Documents and the manner in which ARC Traffic Documents may be issued and must be accounted for are set forth under this Agreement, instructions provided by ARC, and in Section B of the *IAH*.

23.2. All ARC Traffic Documents supplied to Agent must be held in trust for ARC by Agent until issued to Agent's clients, or until otherwise accounted for to ARC or Carriers, and must be surrendered to ARC upon demand pursuant to this Agreement.

23.3. This Agreement does not confer upon Agent, nor will Agent otherwise be deemed to have, any ownership interest in any ARC Traffic Documents, or any other Transactional information or data supplied to Agent under this Agreement.

23.4. ARC Traffic Documents supplied for issuance at a specified Location covered by this Agreement must not be validated at any other Location.

23.5. Agent will not accept custody of ARC Traffic Documents not previously assigned to Agent under this Agreement. Should Agent be approached by another Agent to distribute ARC Traffic Documents, or to distribute ARC Traffic Documents not provided to Agent through the System Provider, Agent must immediately notify the ARC Fraud Prevention Department.

24. Submission of Agent Sales Report(s)

24.1. Agent must Submit its Sales Report(s) in compliance with the instructions provided in this Agreement and Section K of the *IAH*.

24.2. Agent must Submit the Sales Report to ARC no later than the Submission Deadline.

24.3. Agent must Submit its Sales Report(s) to ARC via IAR.

24.4. Agent will be subject to the additional operating requirements of Section 34 if, during any 12- month period, two or more of Agent's Sales Reports have not been Submitted by the next business day after ARC's notice to Agent and such Sales Reports are ultimately Submitted prior to the termination date of this Agreement.

24.5. Agent's Sales Report(s) must:

24.5.1. Account for and include all ARC Traffic Documents issued and validated during the Sales Report Period;

24.5.2. Confirm the accuracy of data included in the Sales Report; and

24.5.3. Authorize a settlement amount reflecting the maximum amount to be drawn by ARC from Agent's designated account. ARC will not draft for more than the authorized amount.

25. Settlement of Sales

- 25.1. Agent acknowledges and agrees that ARC will, based on Agent's Submitted Sales Report, draft Agent's designated bank account for the authorized amount. 33.8. Insufficient Settlement Authorizations

- 33.8.1. If ARC determines that the amount authorized by Agent is less than the amount owed to Carriers for Transactions issued during the Sales Report Period, ARC will notify Agent of the amount due and request that Agent reauthorize its report, provide payment within the time frame stated in ARC's notice, or authorize ARC to draft Agent's bank account for the actual required amount.

Section B: Security Guidelines for ARC Traffic Documents

This Section includes the rules governing the security of ARC Traffic Documents. Adhering to these rules protects you in two ways.

First, compliance with the rules set forth below and in the ARA generally means that you will not be held liable by ARC or the airlines for usage of ARC Traffic Documents in the event of an ARC Traffic Document Loss, except as otherwise provided in the ARA.

Second, adherence to the rules will act as a deterrent to criminals, who in many cases will make multiple attempts to access your data or to obtain login credentials through social engineering and email phishing campaigns.

Not complying with these rules or failing to exercise Reasonable Care for the protection of ARC Traffic Documents means that you will be liable for the loss, misapplication, theft, forgery, manipulation, or unlawful use of ARC Travel Documents and/or Transactional Data.

ARC Traffic Documents . An Agent must exercise Reasonable Care in the issuance or disclosure of ARC Traffic Documents and/or Transactional Data. “Reasonable Care” means implementing appropriate physical, electronic, and managerial procedures, training, and systems to prevent unauthorized access, disclosure, alteration or destruction of ARC Traffic Documents and/or Transactional Data. Reasonable Care includes, but is not limited to, the following measures (the “Reasonable Care Measures”):

- 1) Effective and unique electronic challenge and authentication for all log-in credentials or security credentials, including but not limited to any credentials used to access System Providers. This includes, for example, usernames, PIN/PCC and password, of any user accessing agent hardware, systems, or any other systems or hardware which can be used to issue ARC Traffic Documents and Transactional Data;
- 2) If permitted by a System Provider, passwords that conform with the following criteria:
 - a. 14 characters or more in length
 - b. Combination of uppercase letters, lowercase letters, numbers, and symbols; and
 - c. A password that is different from all previous passwords
- 3) The use of Multifactor Authentication when made available by a System Provider;
- 4) Ensuring computer and mobile systems utilized for issuing ARC Traffic Documents and Transaction Data are purposed for business use only. Limiting access to such devices through the use of biometrics or a secure password or PIN. This includes downloading software only necessary to perform activity for the business.
- 5) Installation and maintenance of industry standard antivirus software, firewall software, and anti-malware software on all Agent’s computers and the regular use thereof and maintenance of logs for such use;
- 6) Use and maintenance of effective and current anti-spam and anti-phishing email filtering system and effective use of anti-phishing training;
- 7) Appropriate maintenance of security, encryption, and password protection on Agent’s computer and any wireless internet systems used by Agent’s computers;
- 8) The attendance of Agent and all personnel issuing ARC Traffic Documents at ARC approved fraud and security webinars and trainings in the previous twelve (12) months;
- 9) Installation of computer operating system updated with all latest patches and with automatic updates enabled, and with record of operating system updates applied including date, time, and user stamps;
- 10) Internet browser installed with latest patches and with automatic updates enabled; and
- 11) Fulfillment of the Training Requirement as defined in the ARA and Section 12 of the IAH.

This includes, but is not limited to, all amounts owed for transactions that have been used but not reported or paid for; amounts owed for dishonored drafts; and amounts owed as a result of the loss misapplication, theft, forgery, or unlawful use of ARC Traffic Documents, unless the Agent has been relieved of liability for such under this Agreement.

The Financial Instrument will not exceed \$150,000, unless your Agency has Associate Branches. Notwithstanding the forgoing, ARC shall have the right to adjust the amount of the Financial Amount at any time upon 30 days written notice to the Agent for any reason, including, but not limited to increases in value of cash sales of ARC Traffic Documents issued, or changes in business model/structure.
 - 2.4. Any required change in the Financial Instrument, or any required adjustment of the amount of the Financial Instrument, will be made each time the Financial Instrument is renewed, reinstated, or replaced, as applicable.

Section E: Carrier Participants in Agent's Standard Ticket & ARC Settlement Plan

All ARC participating carriers, as listed in Section 1 of the Industry Agents' Handbook, have specified their method of agent appointment. Their method of appointment is either one of **General Concurrence** or **Specific Appointment**. The two methods of agent appointment can be described as follows:

General Concurrence: The carrier appoints all agents that appear on the ARC Agency List unless the carrier notifies both ARC and the agent of a decision not to appoint the agent or agency location.

Specific Appointment: The carrier appoints agents appearing on the ARC Agency List specifically and will do so by delivering to each appointed agent a written Certificate of Appointment. Under these terms, ticketing using a carrier's validation code is not permissible unless done under the specific appointment of the validating carrier. Agents seeking a Certificate of Appointment from a carrier should seek such Certificate directly from the carrier.

Section F: Examples of Breaches by Agent

1. Examples of situations where it appears to ARC that there may be or has been fraudulent conduct on the part of the Agent include:
 - 1.1. Failure to include in a report all ARC Traffic Documents issued through the close of the Sales Report Period, even though payment was subsequently made upon demand

Section H: Use of ARC Online Services and Tools

1. ARC provides various online services (collectively referred to as “ARC Tools” or “Tools”) Agents use to submit and review Transactional Data or otherwise conduct business with ARC and the Carriers. Currently these Tools include ARC’s: Interactive Agent Reporting (IAR), Memo Manager, and Document Retrieval Service (DRS), as well as the *My ARC* web portal through which certain ARC Tools are accessed.
2. Agent’s use of ARC Tools is subject to the terms of the ARA and the Terms of Use for each Tool, which are incorporated by reference.
3. Agent represents that it has computer equipment, software, and Internet connection compatible for accessing *My ARC* and ARC Tools, and that such are capable of a sufficiently high level of encryption to meet the system requirements established by ARC from time to time. Agent must ensure the computer equipment Agent uses to access ARC’s Tools uses an industry-standard anti-virus software program capable of detecting and removing computer viruses, as well as software for protection against malware. Agent will further ensure that such software is updated periodically in accordance with a commercially reasonable schedule.
 - 3.1. ARC will assign to the Agent Log-in Credential(s) that will allow Agent to access *My ARC* and ARC’s Tools, and will also allow Agent to create additional Log-in Credentials.
 - 3.2. Log-in Credentials shall serve as the Agent’s authentication, authorization and verification of all Transactional Data and other data and information transmitted to ARC and/or the Carriers. Agent must comply with all ARC instructions and rules concerning the Log-in Credentials that ARC provides and updates from time to time.
 - 3.3. Agent’s use of Log-in Credentials shall have the same force and effect as a handwritten signature, shall bind the Agent for all purposes and shall be deemed admissible as between the parties to the same extent and under the same conditions as other business records originated and maintained in documentary form. Agent agrees not to contest the validity or enforceability of electronic transactions confirmed with the Agent’s Log-in Credentials.
 - 3.4. All Log-in Credentials, whether created by Agent or by ARC at the request of the Agent, are confidential and must be maintained by the Agent as confidential. The Agent will not disclose its Log-in Credentials to anyone who is not authorized to act on its behalf. Disclosure of Log-in Credentials to other persons or Entities may compromise the security of confidential financial, transactional, passenger, and other data provided to ARC and/or Carriers.
 - 3.5. Agent assumes liability for use, misuse, or unauthorized use of Agent’s Log-in Credentials supplied by ARC, whether created by the Agent or by ARC at the request of the Agent. Agent

must indemnify, defend and hold harmless ARC, its owners, directors, officers, employees, representatives and participating Carriers, from injury or damage to any Person, property or entity including, but not limited to, the Agent, resulting from any such use, misuse or unauthorized use of the Agent’s Log-in Credentials.
 - 3.6. Agent will immediately notify the ARC Customer Care Center at ARC’s headquarters if the Agent believes

that any one of its Log-in Credentials has been lost, stolen, misused, misappropriated, or otherwise compromised. Notwithstanding the foregoing, notification to ARC will not relieve Agent of its obligations hereunder.

4. Agent must designate a *My ARC* Primary Administrator who shall perform administrative functions for the Agent's *My ARC* users including but not limited to creating and terminating individual *My ARC* user accounts, *My ARC* administrators and Tool administrators, and granting and terminating user and administrator access to *My ARC* and ARC Tools, resetting of passwords, etc., according to instructions ARC may provide from time to time.
5. Account profiles created in Tools by Agent, its administrators, security managers or Tool users, and the information contained in the profiles, will not constitute an application for, and/or ARC approval of a change of Agent's name, address, status, organizational structure or ownership, etc.
6. ARC's Tools and online services are provided on an "**As Is**" and "**As Available**" case-by-case basis, and are subject to necessary scheduled downtime for maintenance, unscheduled maintenance, and system outages. Agent's access to ARC's Tools and online services may be interrupted at times for maintenance, system outages and other circumstances beyond ARC's Control (e.g., telecommunications outage, etc.), including but not limited to, those circumstances described in Section 9 below.
7. The availability of ARC's Tools is subject to interruption and delay due to causes beyond ARC's reasonable control, including, without limitation, delays by suppliers or vendors which are outside of ARC's Control; acts of God or of a public enemy; acts of the United States or any state or political subdivision; fires, severe weather, floods, earthquakes, natural disasters, explosions, or other catastrophes; and labor strikes, slowdowns (collectively, "excusable delay"). **ARC will not be liable to Agent for any excusable delay. In no event will ARC be liable for any indirect, special, punitive or consequential damages, including lost profits, even if ARC has been advised of the possibility of such damages.**
8. ARC reserves the right to assess a fee for any new, modified, or enhanced services related to ARC's Tools, with the exception of services covered by the annual fee described in Section M of the IAH, that may be offered to the Agent in the future, subject to the approval of such fee by ARC's Board of Directors. By using any new or modified features when they become available, the Agent agrees to be bound by the rules concerning these features.
9. The means by which ARC provides access to ARC's Tools and online services, and the format and other features of such Tools and online services, may be modified or deleted by ARC at any time upon notice to the Agent.
10. Upon termination of the Agent's Agreement or access to the ARC Tools and/or online services, the information that the Agent would otherwise be able to access electronically or via *My ARC*, up to the termination date, may be made available to Agent, upon written request, in the format and media (e.g., CD ROM, via an Internet website, etc.) as determined by ARC, in its sole discretion. ARC reserves the right to assess a fee for such service. Agent acknowledges and agrees that nothing in this Section will affect the terms, conditions, or validity of the Agent Reporting Agreement

The temporary agreement will be in the same form and have the same effect as this Agreement, and ARC may terminate this temporary Agreement at any time ARC determines that the Entity acting on behalf of the estate does not meet requirements of the ARA, is not in compliance with the ARA or cannot be relied upon to comply with the terms of the ARA. Upon termination of the temporary agreement, ARC will take action as directed in Subsections 6.7 and 6.8 in the ARA.

3.1.3. If the Entity entitled to represent the estate, or with whom the temporary Agreement is executed, proposes to transfer the temporary Agreement to an heir, legatee, or another Entity, the proposed transfer will be deemed a change of ownership and the procedures in this Agreement, and the application agreement and instructions will apply.

3.1.4. If ARC determines that the Entity acting on behalf of the estate does not meet requirements of the ARA, is

not in compliance with the ARA or cannot be relied upon to comply with the terms of the ARA, ARC reserves the right to notify Carriers and notify System Providers to prohibit further issuance of ARC Traffic Documents.

- 1.12. ARC will make available a weekly summary showing all transactions and the amount of the draft, no later than the fifth calendar day after the close of the Sales Report Period. Settlement of amounts owing will be made in the authorized currency.

In the event ARC does not receive Agent's Sales Report(s) by the Submission Deadline, ARC will notify Agent and the following, as relevant, will apply.

- 1.13. Where Agent Has Evidence of Timely Submission of Weekly Sales Report: If you have evidence that you submitted the Sales Report on time, please contact the Customer Care Center. In this situation, ARC will not assess a compensatory fee.
- 1.14. Where a Malfunction at ARC Prevents Processing of Sales Report: If a malfunction or emergency at ARC renders ARC unable to process or receive the Sales Report, ARC will promptly notify Agent with further instructions. In this situation, ARC will not assess a compensatory fee.
- 1.15. Where Sales Report Recalled by Agent: Agent may, at any time before the Submission Deadline, recall a Sales Report which it has already submitted, in order to enhance or correct data. However, Agent may not

recall a submitted Sales Report after the Submission Deadline for that Sales Report, and any Sales Report recalled prior to the Submission Deadline must be resubmitted by the Submission Deadline. If a recalled Sales Report is not resubmitted so that it is received at ARC by the Submission Deadline, the Agent must reauthorize and resubmit the Sales Report to ARC via IAR by the next business day after notification by ARC.

Consequences of Failure to Pay for Dishonored draft(s), Unreported Sales and/or Improperly Reported Transactions, and Failure to Timely Submit Sales Reports

- 1.16. If any of the actions in of Subsections 33.2, 33.3, or 33.4 of the ARA occurs, ARC will:
- 3.1.1. Intentionally omitted
 - 1.16.2. Notify Carriers
 - 1.16.3. Notify System Providers to inhibit the issuance of ARC Traffic Documents by such Agent and all agents and locations under Common Control with the Agent.
- 1.17. Once all amounts Agent owes to Carriers and ARC have been fully paid (including, but not limited to, payment of all drafts drawn by ARC and dishonored by the Agent's bank), and all reports have been submitted, unless there is an outstanding notice of cancellation of the Financial Instrument (or Traffic Documents have been removed or issuance prohibited pursuant to another provision of the Agreement), ARC will resupply the Agent with ARC Traffic Documents in accordance with Section 23 of the ARA. ARC will also notify the System Providers that the issuance of ARC Traffic Documents is authorized, unless the Carrier has also taken action to terminate the Agent's appointment pursuant to Section 11.5 of the ARA.

If Agent Unable to Satisfy Debt

- 1.18. If the Agent does not submit the required Sales Report(s) and provide full payment, or fails to make full payment of all amounts owed to the Carrier or ARC (including, but not limited to, payment of all drafts drawn by ARC and dishonored by the agent's bank), on or before the 31st calendar day after the date of ARC's written notice of a default, this Agent's ARC Agreement will terminate automatically and without further notice.
- 1.19. The full amount to be paid within the 31-day period described above or any extension described in Section 4.3 must include, but not be limited to, all amounts owed for dishonored drafts, Unreported Sales and Improperly Reported Transactions, compensatory fees and missing reports, regardless of whether such amounts and/or reports have been specifically identified in the written notice.
- 1.20. ARC may extend the time for Agent to make full payment and avoid termination of the Agent's ARA, if:
- 4.3.1. Agent has ceased issuance of all ARC Traffic Documents, on or before such 31st calendar day;
 - 4.3.2. Agent has provided all missing Sales Reports; and
 - 4.3.3. Agent has made a partial payment in an amount deemed appropriate by ARC.
- 1.21. In determining whether or not to extend the time for full payment, ARC will consider the following factors, among others: the cause of the dishonor, Unreported Sales or Improperly Reported Transactions, or missing report; the payment schedule proposed; the current financial condition of the Agent; and any proposed remedial action.
- 1.22. An extension of time on the terms provided in the preceding paragraphs will be available to all Agents.
- 1.23. In conjunction with the extension of time provided in the foregoing paragraphs, the Agent may obtain authority from one or more of the Carriers involved to convert the Agent's cash indebtedness to each such

Carrier into individually sponsored credit plans, thereby transferring the indebtedness from ARC to such Carrier. Upon receipt of written notice from the Carrier concerned, ARC will modify or withdraw the notice of termination, as appropriate.

- 1.24. Upon the Agent's compliance with the foregoing paragraphs, ARC shall resupply the Agent with Traffic Documents in accordance with Section 23 of the ARA. In addition, ARC will notify all System Providers that the Agent may issue ARC Traffic Documents, and the Carriers may, in their individual discretion, notify the System Providers, if action is to be taken pursuant to Section 11.5 of the ARA.
- 1.25. Upon termination of the Agreement pursuant to this Section, ARC will take action as directed in Subsection 6.7 and 6.8 of the ARA. In addition to any amounts due and owing by the Agent under the ARA, Agent shall also be liable to ARC for any and all attorney's fees, and also for any additional costs actually incurred by ARC for the collection of such sums owing by the Agent. Upon termination of the Agreement under this Section, ARC may, in its sole and absolute discretion and without any other separate basis, terminate all agents in common Control with the Agent.
2. ARC will require each Agent to which notice of default under Subsections 33.2, 33.3, and 33.4 has been sent to have executed on its behalf and filed with ARC the "Personal Guaranty of Payment and Performance" as set forth in Section G of the IAH if the Agent's financial or reporting irregularities under Subsections 33.2, 33.3, and 33.4 of the ARA create a danger of substantial loss to ARC and/or the Carriers. Such execution and filing will be a condition precedent to an Agent's right to use ARC Traffic Documents.

Section L: Variable Remittance

1. The following Variable Remittance option is available as an alternative to the cash sale standard remittance schedule. This option is intended to provide flexibility for carriers and agents who may choose to have cash sales processed in an alternate manner.
 - 1.1. Direct Form of Payment (DP)
2. Section 27 of the Agent Reporting Agreement provides that if a proposal is made by an Agent for the use of payment terms other than the standard remittance schedule, the Carrier will consider the proposal in good faith; however, the carrier's refusal to enter into such an arrangement shall not, in and of itself, constitute evidence of bad faith.
3. **Variable Remittance Option**
 - 3.1. **Direct Form of Payment (DP):** The Direct Form of Payment (DP) option allows the agent to submit a DP sale in the weekly report without ARC collecting the funds for the carrier. Settlement is strictly between the carrier and the agent, although ARC does settle the commission amounts.
4. **Control Procedures**
 - 4.1. ARC has incorporated control procedures to provide quality assurance for the Variable Remittance option. An online system ensures that these transactions are processed in accordance with the instructions submitted by the carrier to ARC. This is accomplished through a Carrier Agent Payment (CAP) file.
 - 4.2. For each carrier/agent arrangement the CAP file includes the following information:
 - 4.2.1. ARC Code Number
 - 4.2.2. Carrier Identification
 - 4.2.3. Account number (determined by the carrier)
 - 4.2.4. Payment plan
 - 4.2.5. Inception and Termination dates
5. Once a carrier notifies ARC that a Variable Remittance option will be established with an agent, ARC will include this information in the CAP file database. When an agent submits a weekly report containing a transaction with a Variable Remittance account number, this number is then verified by accessing the CAP file database. ARC will use the CAP file database to verify every Variable Remittance transaction.
6. **ARC Processing**

ARC will settle the commission amount in the week during which the transaction is processed. Therefore, since the agent has already received the commission, the amount owed to the carrier will be the Total Sale amount.

Section M: Administrative and Compensatory Fees

1. Agents are required to pay an administrative fee to ARC for each Agent's Locations in order to defray a portion of the costs associated with operating the ARC Settlement Plan (ASP) and half of the costs associated with operating the Travel Agent Arbiter Program, Inc. The administrative fee has two parts: an annual fixed amount for each Location and a fee for transactions processed through the ASP for each Location.
2. The transaction fee is determined by multiplying the fee amount times the number of transactions processed at each of Agent's authorized Locations during a defined 13-week period (referred to as "quarterly"). The transaction types include sales (auditor's coupon), refunds, Credit Memos, Debit Memos, exchanges (primary/companion/conjunction), recall commission statements, Agency Automated Deductions (AADs), Electronic Miscellaneous Document (EMD), and other transactions that may be approved by the ARC Board of Directors.
3. The annual fixed amount and the fee amount charged per transaction are determined by the ARC Board of Directors. ARC will notify each Agent of the annual fixed amount and the per transaction fee amount for the following year before the end of the current calendar year.
4. Agent authorizes ARC to collect the administrative fee by issuing a draft against the Agent's designated bank account.

Annual Fixed Amount

- 4.1. The annual fixed amount will be collected by ARC, which will draft the designated account of each Location in January of the current year, or on such other schedule as the Board of Directors adopts.
- 4.2. For a newly accredited Agent added to the ARC Agency List after the date the annual fixed fee is normally paid, the annual fixed amount will be included with the application fee. For a Location added to the ARC Agency List after the date the annual fixed fee is normally paid, the annual fixed amount will be included with the application fee.

Transaction Fee

- 4.3. The transaction fee will be assessed and collected on a quarterly basis or an alternate assessment period(s) as be approved by the ARC Board of Directors. ARC will draft the designated account of each Location. For Agents undergoing ownership changes to new owners or entities, ARC will assess and collect a transaction fee from the transferring owner for transactions processed at the Location up to the effective date of the transfer of ownership. As of the effective date of the ownership transfer, ARC will assess and collect the transaction fee from the new owner of the Location.

Compensatory Fees

- 4.4. The compensatory fee will be calculated and charged based on a formula approved by the ARC Board of Directors. ARC will notify the Agent of the amount and the date on which payment will be due.
- 4.5. Agent acknowledges and agrees that ARC will assess a compensatory fee for each dishonored draft for payment of Sales Reports to defray processing costs associated with the handling of dishonored draft, interest expense, and special service costs described in Section 36.12 of the ARA.
- 4.6. Agent acknowledges and agrees that ARC will assess a compensatory fee for Unreported Sales and Improperly Reported Transactions and failure to timely file Sales Reports to defray costs associated with the processing and handling of the resolution of Unreported Sales and Improperly Reported Transactions, costs

attributable to Agent's failure to timely Submit a Sales Report, and special service costs described in Section 36.12 of the ARA.

- 4.7. ARC will not assess more than one compensatory fee to Agent per any given late or missing Sales Report.
- 4.8. Agent authorizes ARC to collect the charge by issuing a draft against the Agent's designated bank account. Alternatively, the Agent must make payment directly to ARC if required by ARC notice.
- 4.9. ARC may, in its sole discretion, waive any compensatory fees imposed under this section. Factors ARC may consider include, but are not limited to, religious observances, bereavement, or other extenuating circumstances.

Section N: Associate Branch Supplementary Agreement

1. Submit an application for approval of an Associate Branch in the form required by ARC.
2. Provide and maintain a Financial Instrument in the form and amount required by ARC, as described in Section D of the IAH.
 - 2.1. At no time will the Agent's Financial Instrument be less than \$150,000, unless Agent becomes subject to the requirements of Section 34 of the ARA.
3. Execute the Corporate Guaranty included in this Section.

Agent and the owners of each Associate Branch must execute the Associate Branch Agreement in this Section.

ASSOCIATE BRANCH SUPPLEMENTARY AGREEMENT

1. This Supplementary Agreement (Supplement) covers the terms and conditions for _____ (Agent), ARC number _____, to operate an Associate Branch, the ownership of which is different from the ownership of Agent. The parties identified below agree as follows:

2. This Supplement will become effective on the date of ARC's written approval of Agent's Application for Associate Branch, or the last date signed below, whichever is later. This Supplement will remain in effect as long as the Agent's ARA is in effect, or until Associate Branch is terminated and/or removed from the ARC List, whichever occurs first.

3. The ownership of Agent's Associate Branch _____ [name of Associate Branch entity] at _____, is authorized by ARC to be different from the ownership of the Agent subject to the following conditions:
 - 3.1 The Agent, or the owning Entity of Agent must at all times hold some ownership interest in the Associate Branch, unless otherwise permitted by ARC in its sole discretion.
 - 3.2 No interest in the ownership of Associate Branch may be transferred or assigned without the prior written consent of ARC. If a transfer is made without ARC's prior written consent, this Supplement will automatically be terminated, and Associate Branch will be removed from the ARC Agency List and ARC shall take action as directed in Subsections 6.7 and 6.8 of the ARA.
 - 3.3 If a transfer or assignment of the ownership of Agent is made without ARC's prior written consent, this Supplement and Agent's ARA may be terminated and ARC may take action as directed in Subsections 6.7 and 6.8 of the ARA.
 - 3.4 The owning Entity of Agent unconditionally guarantees all obligations of the Associate Branch to ARC in the required corporate guaranty in this Section. Execution of the guaranty is a condition precedent to the effectiveness of this Supplement and approval of the Associate Branch application.
 - 3.5 This agreement shall in no way affect any Carrier's individual rights with regard to its appointment of Agent, Associate Branch, or any other Location affiliated with Agent or Associate Branch. Except as noted herein, all other terms of the ARA shall remain in full force and effect as if unmodified.
 - 3.6 Associate Branch hereby agrees to be bound by the terms and conditions of the ARA.
 - 3.7 Associate Branch acknowledges and agrees that Agent is authorized to access, obtain and view all applications, requests and other forms and documents that may be submitted by Associate Branch to ARC, including but not limited to Transactional Data issued by and reported in the Sales Report for, or by the Associate Branch, in the same manner through which Agent may access, obtain and view such information for any of Agent's other Locations.

4. Agent and Associate Branch acknowledge and agree that ARC reserves the right to amend or modify the terms of this Supplement, upon reasonable notice to Agent and Associate Branch.

This Supplement may be executed in multiple counterparts, each of which taken together shall constitute one and the same agreement. Further, signatures received via fax or via scanned document attached in an email shall constitute original signatures and shall be treated with the same force and effect as original signatures.

Guaranty of Payment and Performance

Section I: Applicability

The provisions of this guaranty apply whenever Guarantor (as defined below) is required to execute a "Guaranty of Performance of Agent's Agreement" (Guaranty) relating to the actions of _____, [Legal Name of Associate Branch], accredited by ARC as an Associate Branch pursuant to Section 39.20.4 of the Agent Reporting Agreement (ARA) and Section N of the IAH, which is incorporated by reference in the ARA ("Associate Branch").

Section II: Guarantor

_____(“Guarantor”),
 [Print Legal Name of the owning Entity of the Agent]
 is the owning Entity of _____ (“Agent”)
 [Print Legal Name of Agent]
 designated with ARC Number _____, the Agent under the ARA between Agent and Airlines Reporting Corporation, a corporation organized under the laws of Delaware (“ARC”).

The Agreement requires that Guarantor guarantee the payment and performance obligations of Associate Branch identified in Section I of this Guaranty under the terms of the ARA. Accordingly, as a condition imposed for continued inclusion of Guarantor on the ARC Agency List and in consideration of the benefit to Guarantor of the effectiveness of the ARA, Guarantor agrees as follows:

Section III: Guaranty

(i) Except as expressly set forth herein Guarantor hereby absolutely, irrevocably and unconditionally agrees to and hereby does guarantee to ARC the full, prompt and complete performance and payment by Associate Branch of all of its obligations under the ARA (all such obligations, collectively, the “Obligations”). Subject to the terms hereof, Guarantor agrees that this Guaranty is a guaranty of performance and payment and NOT of collection and that the liability of Guarantor is primary and unconditional. Accordingly, Guarantor agrees to pay the Obligations to ARC upon receipt of a written demand therefor, without any withholding, deduction, counterclaim (unless a compulsory counterclaim) or set-off for any reason or on any account whatsoever, subject to the terms hereof and provided that ARC shall not demand any of the Obligations until there has been a default by Associate Branch on such Obligations and notice of such default has been received by Guarantor and any applicable time and grace periods (as set forth in paragraph (v) of this Section III) have expired. Except for the notice and time and grace period requirements set forth in the preceding sentence, this guaranty is in no way conditional upon any requirement that ARC first attempt to collect any of the Obligations from Associate Branch or resort to any security or other means of obtaining payment of the Obligations.

(ii) Guarantor hereby waives each and every defense that under principles of guarantee, suretyship or other similar law would otherwise operate to impair, delay or diminish Guarantor’s obligations hereunder; provided, however, that the foregoing waiver shall not in any way waive or prejudice any right or defense otherwise assertable in respect of any claimed Obligation.

(iii) No delay on the part of ARC in exercising any of its options, powers or rights shall constitute a waiver thereof. Upon making any payment or performance with respect to any Obligations hereunder, Guarantor shall be subrogated to the right of ARC against Associate Branch with respect to such payment; provided that Guarantor shall not enforce any payment right by way of subrogation until the underlying Obligation has been paid in full.

(iv) Guarantor's obligations hereunder shall remain in full force and effect until all of the Obligations have been completely performed and paid in full.

(v) Guarantor hereby waives acceptance hereof, presentment, demand, protest, and any notice not provided for herein, as well as any requirement that at any time any action be taken by any corporation or person against Associate Branch or any other corporation or person, except that no payment shall be sought from Guarantor under this Guaranty unless a notice of default has been served to Guarantor providing for a minimum cure period of 30 calendar days to remedy such default and indicating ARC's intention to claim under this Guaranty in the absence of remedy within such cure period.

(vi) Guarantor represents, warrants and covenants to ARC that this Guaranty (i) has been duly authorized, executed and delivered by Guarantor, (ii) constitutes a legal, valid and binding obligation of Guarantor enforceable in accordance with its terms, except as the enforceability may be limited by bankruptcy, insolvency or other similar laws affecting the enforcement of creditors' rights generally and by equitable principles relating to the availability of equitable remedies, (iii) does not and will not violate or conflict with any of Guarantor's organizational documents, and will not violate or conflict with any material agreement by which it is bound, or any law to which Guarantor is subject, nor is any consent or approval required that has not been received or that will not be obtained in connection with the execution, delivery or performance, validity or enforceability of this guaranty.

(vii) Any and all disputes regarding the obligations of the Guarantor to ARC shall be resolved by the Travel Agent Arbiter, an arbitration forum established as an independent entity, in accordance with the rules promulgated and published by the Travel Agent Arbiter, and the decision shall be final and binding; provided, however, that neither ARC nor Guarantor is precluded from seeking judicial relief to enforce a decision of the Travel Agent Arbiter, or to compel compliance with this Guaranty prior to the filing of an answer in a proceeding concerning such requirement before the Travel Agent Arbiter.

(viii) This Guaranty shall be construed and interpreted according to the internal laws of the Commonwealth of Virginia, excluding any choice of law rules that may direct the application of the laws of another jurisdiction. Any suit, action, or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Guaranty may only be brought in the United States District Court for the Eastern District of Virginia, Alexandria Division (or, if jurisdiction is there lacking, in a state court of cognizant jurisdiction in the County of Arlington, Commonwealth of Virginia). Guarantor consents and submits to the jurisdiction of such courts (and of the appropriate appellate court therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, actions or proceeding which is brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on Guarantor anywhere in the world, whether within or without the jurisdiction of any such court.

Section IV Effectiveness of Guaranty

This Guaranty is of continuing effect, and its effectiveness, and the Guarantor's liability hereunder, survives termination of the ARA, except as modified pursuant to Section V below, and need not be re-executed upon amendment of the ARA, including subsequent revisions and reissues thereof.

Section V: Modification of Guaranty

This guaranty may not be modified or terminated orally.

Authority and consent are hereby expressly given ARC from time to time, and without any notice to Guarantor, to give and make such extensions, renewals, settlements, and compromises as it may deem proper with respect to any of the indebtedness, liabilities and obligations covered by this guaranty; and the release by ARC of any other Entity, or settlement with any other Entity, or the revocation or impairment of this guaranty with respect to Guarantor, shall not operate to

prejudice the rights of ARC against the Guarantor.

It is understood that this is a continuing absolute and unconditioned guaranty, co-extensive with the ARA as presently constituted and as may be hereafter amended, including subsequent revisions and reissuances thereof.

Section 0: Additional Office Types**Satellite Ticket Printer Locations**

Effective 03/15/2010, ARC stopped accrediting new STP locations.

A Satellite Ticket Printer (STP) is a location whose sole ARC travel-related function is the delivery of ARC Traffic Documents and other related Traffic Documents to customers of an ARC-listed agent by means of a ticket printing device. The STP is an attended printer not intended to service the general public and is located in a private area within a business-type concern. The electronic transmission of all traffic documents will be controlled by a host authorized agency location, and the delivery will occur at the STP).

The STP location is solely a ticket delivery location. Other travel-related, retail functions, such as, but not limited to, live, or in-person travel promotion, reservations, counseling and sales, accepting payment or providing refunds for tickets, cannot be performed at this location.

The Agent assumes full and absolute liability for the possession, use, and issuance of ARC Traffic Documents at the STP location, and for any and all damage, expense, or loss (including attorneys' fees) experienced by ARC, the participating Carriers, their officers, representatives, or employees on account of the loss, misapplication, misdirection, theft, or forgery of ARC Traffic Documents at the STP location and ARC documents in transit to and from the STP location.

Centralized Service Locations (Independent and Branch)

Effective July 1, 2013, ARC will no longer be accrediting new CSL.

A centralized service location ("CSL") is an authorized independent or branch office location whose primary purpose is to allow Agent to directly provide, or to use another ARC-accredited travel agent to provide, travel services to a specified corporate account or web site account at an approved centralized location. The CSL will not serve the general public and the office or space where the CSL is located must not be open and accessible to the general public and it must not be identified as a retail travel agency.

The Agent assumes full and absolute liability for the possession, use, and issuance of ARC Traffic Documents at the CSL, and for any and all damage, expense, or loss (including attorneys' fees) experienced by ARC, the participating Carriers, their officers, representatives, or employees on account of the loss, misapplication, misdirection, theft, or forgery of ARC Traffic Documents at the CSL and ARC documents in transit to and from the CSL.

Ticketing Fulfillment Locations

A ticketing fulfillment location ("TFL") is a branch office location whose purpose is to serve as a centralized ticket printing office for the Agent. The TFL is to function as a separate, non-sales location. No sales activity, such as, but not limited to, travel promotion, counseling and reservations, will occur at this location.

1. The ownership of the TFL location may not be transferred independently of the transfer of the HOL ownership.
2. The same TFL location may operate as a TFL location for multiple ARC entities provided each entity has applied and received approval for the TFL location to operate as its TFL branch office. The TFL location will receive a separate ARC Number for each ARC entity it represents.

3. ARC will deliver to Agent, or Agent designated location, Traffic Documents intended for use at the TFL location. Agent may order and maintain a supply of ARC Traffic Documents at the TFL according to the requirements in Section B of the IAH.
4. The Agent will appoint an attendant at the TFL location that is familiar with all facets of operating the TFL, including the security and accountability of the ARC Traffic Documents. The attendant is the person responsible for maintaining the security and integrity of the ARC Traffic Documents at the TFL location and will be the primary contact for ARC at the TFL location. One individual may serve as the appointed attendant for multiple ARC entities.
5. The Agent must notify ARC, in writing, of the removal or replacement of Agent's attendant(s) and shall provide the name of each new attendant and such other information ARC may reasonably require regarding the attendant(s).
6. The ARC Traffic Documents at the TFL will only be issued as passenger and flight coupons and the transaction shall be included in the IAR Sales Report of an accredited non-TFL of the Agent.
7. The TFL location must comply with all rules or ARC Traffic Documents detailed in the Agent Reporting Agreement, including the security rules in Section B of the IAH.
8. The Agent, regardless of any security measures taken, assumes full and absolute liability, including attorneys' fees, for any and all damage, expense or loss experienced by any Carrier, its officers, agents or employees for the loss, misapplication, misdirection, theft or forgery of ARC Traffic Documents assigned to the TFL's ARC Number. Notwithstanding the Agent's absolute liability for documents assigned to the TFL location, Agent must ensure that the TFL meets all security requirements, including Section B of the IAH.
